***Changing Lives Through Music***

The NRO is first and foremost an educational, nonprofit organization that creates win-win opportunities for our local community, the attending musicians and the audience.

The musicians you see on stage were selected in a 25-city Audition Tour and represent the very best of our next generation of classical musicians. The eight-week tuition-free summer festival is a vigorous program where the musicians are being mentored by world renowned conductors and professional musicians to perform some of the most challenging works in the classical repertoire, while receiving crucial hands-on experience in community outreach and development.

The success of the Summer Gala provides an unmatched tuition-free educational experience for the young NRO musicians that leads to extraordinary character building and career opportunities.

***Attendees***

Expected attendance is 350, age 35 and older, most with a keen interest in ensuring that classical music remains relevant and engaging in the future.
